Guest:

Dick Schoonover Sally & Kim Anderson Lori Neddo Susan Bechdel, Payette Lake Protective League Representative

Discussion to include Idaho code 67-7077 in its entirety to the June 5 minutes. Douglas moved to accept amended June 5, 2018 minutes. Barry seconded the motion. Motion passed.

Lt. Speer reported there was heavy traffic during July 4th week.

Lt. Speer commended MS Turner for an excellent job handling marine patrolling during July 4th week.

M.S. Turner reported there were more families at North Beach. Only one complaint concerning the No Alcohol ban and the swim line. Marine Patrol Deputies performed over 200 vessel inspections. One Misdemeanor citation was issued for boating in a restricted area in the narrows on Payette Lake. Six Marine Deputies, plus himself were on duty. He said the deputies operated the vessels very well.

2019 Budget was reviewed by VCWWAC members.

Lt Speer said any new grant applications are required to include a survey for the project. It would cost approximately \$2000.00 to do a survey. Al said, "this expenditure can be taken out of Capitol – Other".

Boat Registration money is slow coming in from vendors. Randy Herman said money should be coming in soon.

Review of Expenditure Activity Summary.

MS Turner said Overtime will be up due to July 4th patrols and fuel will be lower.

Lt. Speer reported the GIS positioning on Boulder Creek arm will be done soon. The Commissioners will then decide when the Public Hearing is held.
