Description of Property to be Vacated: The proposed Cheyenne Road from Julie Lane to Lots 37B + 47 in Smiling Julie Subdivision.

Reason for Request of the Vacation: The road is not necessary as all properties border another road. The terrain is too steep and has too much water on it to be developed.

Attach the following information:

- 1) Sketch map (plat) showing the property and names and addresses of owners of adjoining property.
- 2) Letter from, or signatures on a petition, of each owner of adjoining property stating:
 - a) their approval of the proposed vacation,
 - b) their willingness to share in the costs,
 - c) they are aware that vacated property becomes part of adjoining property subject to the rights and easements of utilities.
- 3) Application for Release of Idaho Power Easement, if applicable.
- 4) An application processing fee of \$500.00.

Submit ten copies of all application materials with the fee to the Planning and Zoning Administrator a minimum of 45 days prior to the regularly scheduled Planning and Zoning meeting. Regularly scheduled meetings are held the second Thursday of each month. When an application is submitted, it will be reviewed in order to determine compliance with application requirements. A hearing date will be scheduled only after an application has been accepted as complete or if applicant requests the hearing in writing.
