

Valley County Board of County Commissioners Invites You to Participate in a PUBLIC HEARING

Ordinance Amendment Air Compression Brakes “Jake Brakes”

A proposal would amend Valley County Code Title 5, Chapter 6 providing for the restriction on the use of air compression brakes on vehicles within Valley County.

Air compression brakes area commonly called “Jake Brakes”.

Currently air compression brakes are prohibited on State Highway 55 from Milepost 95 to Milepost 99 in the Smith’s Ferry area, except under emergency circumstances when necessary to prevent an accident or injury to persons or property.

The amendment would also prohibit air compression brakes on State Highway 55 between Milepost 136.8 at Elk Haven Lane to the southern boundary of the City of McCall.

The Valley County Code is available online:
