

Valley County Board of County Commissioners Invites You to Participate in a PUBLIC HEARING

Ordinance Amendment Valley County Code 9-6-2 Flood Prone Areas

This amendment is being proposed to allow legally platted lots that existed on February 1, 2019, and are in a floodplain to be developed. If there is no portion of the lot where the structures can be located outside the identified flood prone area, then a permit can be issued so long as there is compliance with subsection D and Title 11 of the Valley County Code.

On March 11, 2021, the Planning and Zoning Commission recommended approval.

The Valley County Code is available online:
