Valley County Planning and Zoning

Idaho Code 67-65

Local Land Use Planning Act

The purpose is to promote the health, safety and general welfare of the people of the state of Idaho.

Valley County Codes (VCC) can be found on the Valley County website: www.co.valley.id.us

Valley County has performance-based land use ordinances with one Land Use Zone: Multiple Use

Allowed uses are agriculture (including timber) and single-family residences (VCC Table 9-3-1). Most other uses require a permit per VCC Title 9 Land Use and Development.

The Compatibility Rating is a tool to assist in the determination of compatibility of a proposed land use with surrounding land uses. It is not the sole deciding factor in the approval or denial of any applicant. (VCC 9-11-1)

Public Hearing Procedures (VCC 9-5H-11)

- Chairman announces the item (e.g., C.U.P. # and name).
- Commissioners state if they have a conflict of interest or have had *ex parte* contact.
- Staff Report, Exhibits, and Questions for Staff.
- Presentation by Applicant.
- Testimony of Proponents.
- Testimony of Undecided.
- Testimony of Opponents.
- Rebuttal by the Applicant.
- If new information is provided, must reopen for other testimony.
- The Public Hearing is closed for Commissioner deliberation.
- Commissioners approve a motion or postpone to a future date for further information.
- There is a 10-day appeal period to the Board of County Commissioners in accordance with Valley County Code 9-5H-12.

3 minutes each

Conditional Use Permits (C.U.P.) are required for short-term rentals for greater than 12 guests.

A C.U.P. is also required to rent out sites for RVs, camping, or glamping.

Applications are available on the Valley County website or from the Planning and Zoning Office.

Please Note

Detailed plans for Site Grading and Stormwater Pollution Prevention Plans (SWPPP) are not required at time of conditional use permit approval.

Prior to construction of the infrastructure, excavation, or recordation of the final plat, the final plans must be approved by the County Engineer. (VCC 9-5A-1-E)
