The Valley County Recreation Advisory Council (VCRAC) is seeking board members.

VCRAC is a 7-9 person council that provides community-based advice to Valley County Parks and Recreation and the Board of Commissioners regarding the best use of funds and land in support of public recreation and conservation.

Council members are full-time residents of Valley County who represent a wide diversity of recreation and conservation interests. At this time, the ideal candidate will be involved with recreation interests in south Valley (Cascade, Smith's Ferry) although all area applicants are encouraged to apply.

The Council meets monthly, and in-person attendance at meetings in Lake Fork is required. Appointments are made by the Valley County Board of Commissioners for 1- to 3-year staggered terms. This is a great opportunity to serve your community and to be a part of recreational planning and development in Valley County. Past projects of VCRAC include the Valley County Recreation Strategic Plan (viewable at <https://www.co.valley.id.us/departments/Recreation>).

Interested? Submit a letter of introduction or resume describing your recreational interests, reasons for wanting to join the Council, and readiness to engage in collaborative planning efforts. Letters and resumes can be submitted at the Valley County Courthouse, emailed to dbingaman@co.valley.id.us, or mailed to VC Parks and Recreation at: PO Box 1350, Cascade, ID 83611.

For more information and a complete description of the Advisory Board and its by-laws please visit <https://www.co.valley.id.us/departments/Recreation/RecreationAdvisoryCouncilPurposeBylaws>.
